Digital and Strategy

14 Web Design and Digital
15 Process Automation
16 Technology Roadmap

Bid Writing and Tenders

Turning evidence into answers that score.

1 Plan

Readiness review, bid strategy, scoring criteria

2 Write

Quality answers, method statements, social value

3 Submit

Evidence mapped, compliance check, debrief

Contract Review

Know what you're agreeing to before you sign.

1 Read the terms

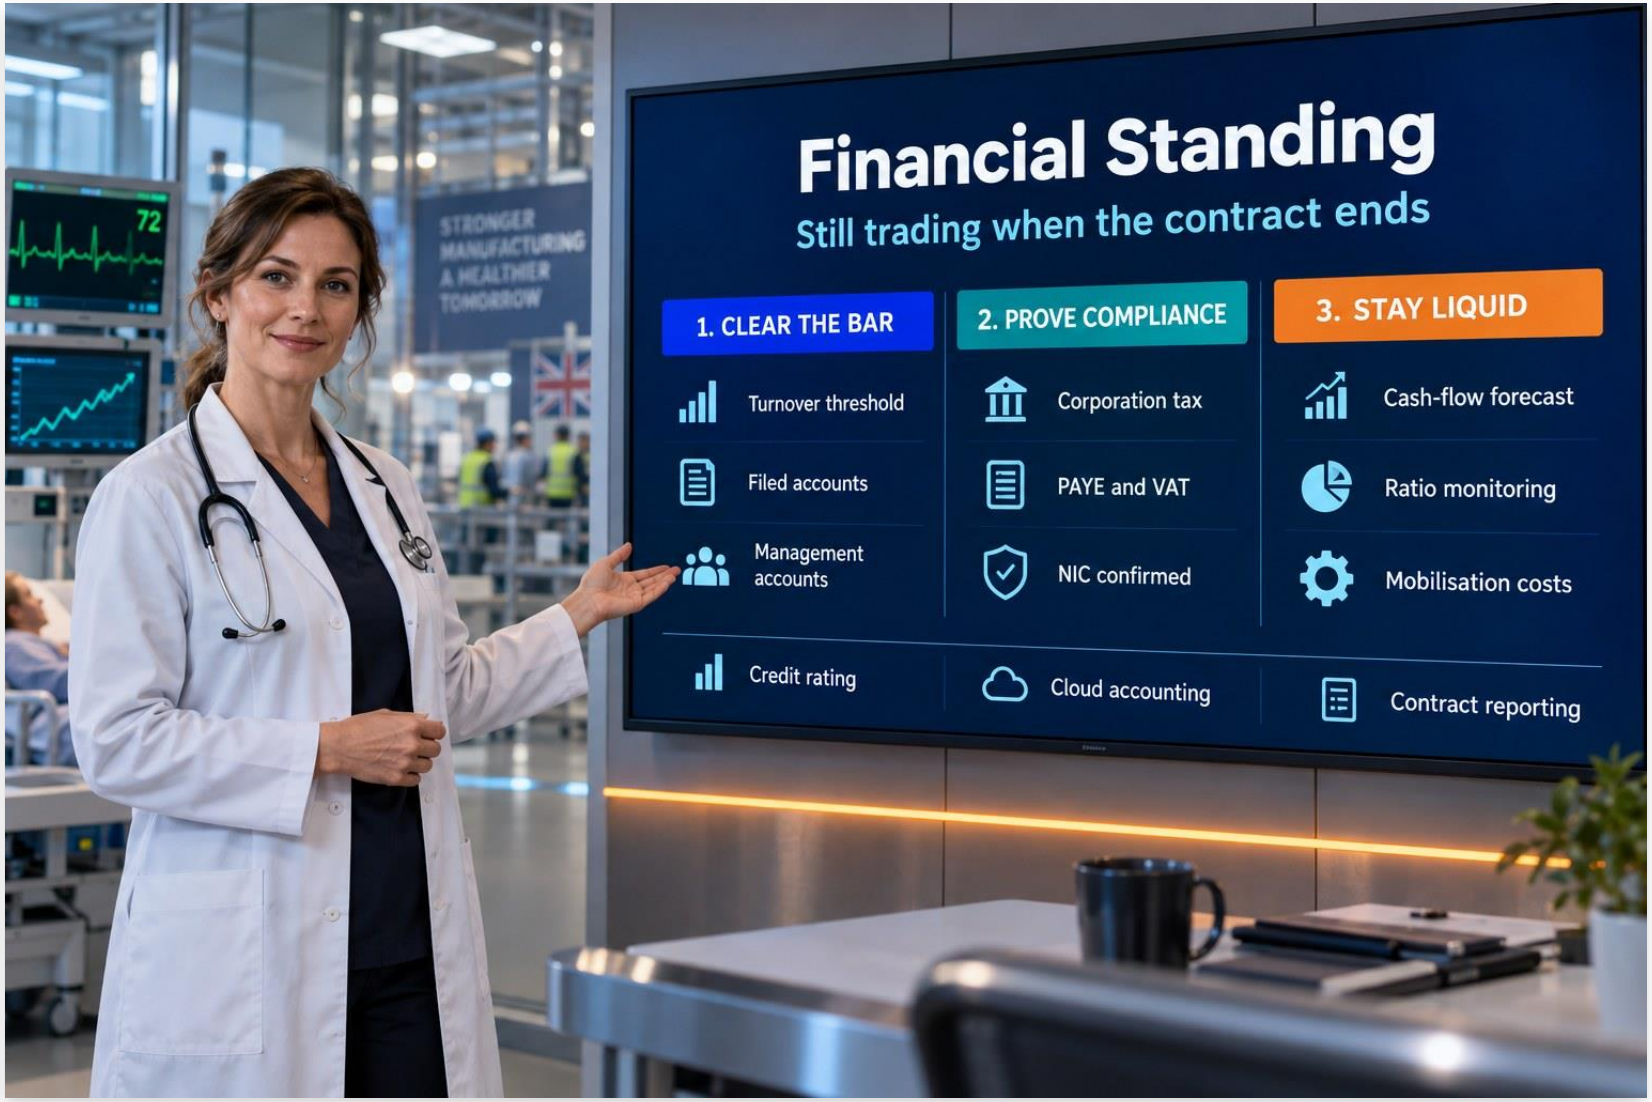

Liability caps, force majeure, termination clauses

2 Stay clean

Anti-bribery policy, whistleblowing policy, conflict declarations

3 Stay covered

TUPE advice, escalation process, dispute route

Financial Standing

Still trading when the contract ends.

1 Clear the bar

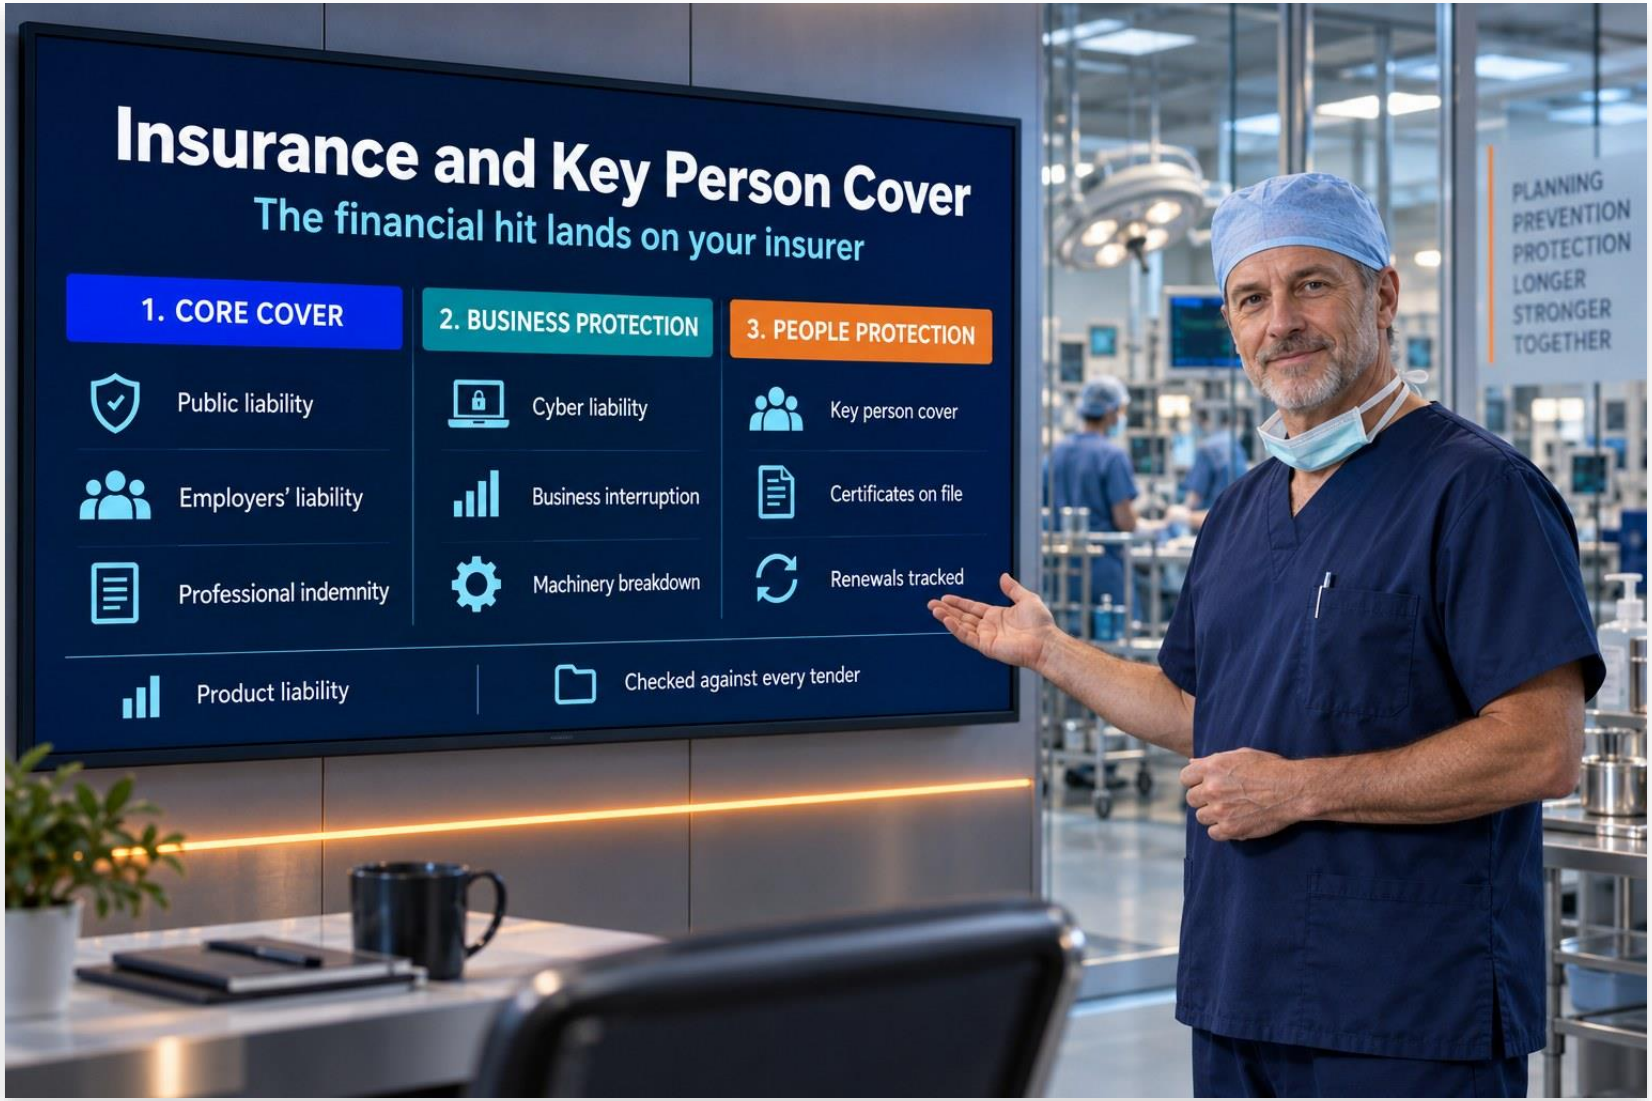

Turnover threshold, filed accounts, management accounts

2 Prove compliance

Corporation tax, PAYE and VAT, NIC confirmed

3 Stay liquid

Cash-flow forecast, ratio monitoring, mobilisation costs

Insurance and Key Person Cover

The financial hit lands on your insurer.

1 Core cover

Public liability, employers' liability, professional indemnity

2 Business protection

Cyber liability, business interruption, machinery breakdown

3 People protection

Key person cover, certificates on file, renewals tracked

Health and Safety

Your site won't hurt anyone.

1 Plan

Written H&S policy, risk assessments, method statements

2 Accredit

SSIP accreditation, matches the register, certificates in date

3 Respond

RIDDOR reporting, accident tracking, actions closed out

ISO Management Systems

Controlled, consistent, audit-ready.

1 Quality, ISO 9001

Process control, consistency, the paper trail

2 Environment, ISO 14001

Environmental controls, waste management, energy efficiency

3 Safety, ISO 45001

Risk assessments, incident reviews, safe systems of work

People and Employment Law

Managed, protected and legally covered.

1 Fair and inclusive

EDI policy and action plan, Modern Slavery statement, supply-chain audit

2 Legally sound

Contract review, IR35 classification, right-to-work checks

3 Looked after

Real Living Wage, wellbeing programme, whistleblowing policy

Sustainability and ESG

Department: Environmental Health and Public Wellbeing

A plan buyers can see and score.

Sustainability and ESG

A plan buyers can see and score.

Part of the Cure Alliance

YBSL diagnoses the gap, then routes you to a vetted specialist who knows manufacturing.

Training and Skills

Competent, not just present.

Part of the Cure Alliance

YBSL diagnoses the gap, then routes you to a vetted specialist who knows manufacturing.

Cyber Security and vCISO

Protecting their data. Proving you can recover.

1 Protect

Cyber Essentials, multi-factor authentication, patching on a schedule

2 Detect

Firewalls and email protection, access control, vulnerability management

3 Respond and recover

Incident plan, tested backups, staff awareness

OT and Industrial Cybersecurity

Protecting the machines. Securing production.

1 Protect

Asset inventory, network segmentation, secure vendor access

2 Detect

Network monitoring, threat detection, logging and alerts

3 Respond and recover

OT incident playbooks, offline backups, safe patching

Managed IT and Infrastructure

Not IT support. Managed IT stops it breaking.

Part of the Cure Alliance

YBSL diagnoses the gap, then routes you to a vetted specialist who knows manufacturing.

Hardware and Infrastructure

The physical kit behind every certificate.

Part of the Cure Alliance

YBSL diagnoses the gap, then routes you to a vetted specialist who knows manufacturing.

Web Design and Digital

Checked before your bid is opened.

Part of the Cure Alliance

YBSL diagnoses the gap, then routes you to a vetted specialist who knows manufacturing.

Process Automation

Evidence in minutes, not days.

1 Map

Repetitive tasks, owners, handoffs

2 Control

Structured SharePoint, version control, access rights

3 Automate

Approval workflows, audit trail, records on demand

Technology Roadmap

Technology spend that adds up to a plan.

1 Roadmap

Strategy, bid pipeline review, priorities

2 Govern

Board reporting, risk overview, supplier coordination

3 Invest

Budget plan, ranked by outcome, contract oversight
